

ALL-TIME RECORDS

Compiled by Elias Sports Bureau.

The following records reflect all available official information on the National Football League from its formation in 1920 to date. Also included are all applicable records from the American Football League, 1960-69.

Individuals eligible for Rookie records are players who were in their first season of professional football and had not been on the roster of another professional football team, including teams in other leagues, for any regular-season or postseason games in a previous season. Eligible players, therefore, include those who were under contract to a National Football League club for a previous season but were terminated prior to their club's first regular-season game and not re-signed, or who were placed on Reserve/Injured (or another category of the Reserve List) prior to their club's first regular-season game and were not activated during the rest of the regular season or postseason.
