

2011 Rules Changes

Rules-Section-Article	Page
1-1	Surface of entire Field of Play must be a League-approved shade of green.....1
4-8-2	Extension of a half after a “5 vs. 15” penalty enforcement that includes a dead ball foul on the defense has been eliminated.....21
6-1-2, 3	On kickoffs, the kicking team restraining line has been moved to the 35-yard line, and no kicking team player (except the kicker) can be lined up more than five yards behind its restraining line after the ball has been made ready for play.....32
6-2-3	For a kickoff out of bounds the receiving team may elect to take the ball 25 yards from the spot of the kick.....33
12-2-8	Prohibits illegal “launching” into a defenseless opponent.....73
12-2-9	Incorporates all rules regarding “defenseless players” into new article and standardizes their protection. Extends the protection for a receiver who has completed a catch so that he is a “defenseless player” until he has had time to protect himself or has clearly become a runner.....73
12-2-13	Hits to the head of a passer by an opponent’s hands, arms, or other parts of the body will not be fouls unless they are forcible blows.....75
15-9	Replay Official will initiate review of all scoring plays throughout the game. The Replay Official cannot initiate a review for a team, and a team is prevented from challenging a play, if that team commits a foul that prevents the next snap.....98
