

SUPER BOWL SCREENING PROCEDURES FOR SPECTATORS

Security screening at Mercedes-Benz Stadium will be significantly heightened for Super Bowl LIII.

To provide a safe environment and to expedite fan entry into the stadium, the NFL limits the size and type of bags that may be brought into the stadium. Visit nfl.com/allclear for more details.

All items carried by spectators will be carefully inspected and potentially not permitted into the stadium. Consistent with all NFL games, the NFL strongly encourages fans not to bring any type of bag to the Super Bowl, but if necessary, those outlined below are permissible:

- **Bags that are clear plastic, vinyl or PVC and do not exceed 12" x 6" x 12"**
- **One-gallon clear plastic freezer bag (Ziploc bag or similar)**
- **Small clutch bags, 4.5" x 6.5", with or without a handle or strap, can be taken into the stadium with one of the clear plastic bag options**
- **An exception will be made for medically necessary items after thorough inspection at a gate designated for this purpose**

Prohibited bags include, but are not limited to: purses or bags larger than 4.5" x 6.5", coolers, briefcases, backpacks, fanny packs, cinch bags/drawstring bags that are not clear or exceed 12" x 6" x 12", luggage of any kind, computer bags, binocular cases and camera bags, and large traditional seat cushions that have pockets, zippers, compartments or covers.
