

# Rule 1 The Field

## Section 1 Dimensions

### PLAYING LINES

The game shall be played upon a rectangular field, 360 feet in length and 160 feet in width. The lines at each end of the field are termed End Lines. Those on each side are termed Sidelines. Goal Lines shall be established in the field 10 yards from and parallel to each end line. The area bounded by goal lines and sidelines is known as the Field of Play. The areas bounded by goal lines, end lines, and sidelines are known as the End Zones.

### FIELD OF PLAY

The areas bounded by goal lines and lines parallel to, and 70 feet 9 inches inbounds, from each sideline, are known as the Side Zones. The lines parallel to sidelines are termed Inbound Lines. The end lines and the sidelines are also termed Boundary Lines.

The playing field will be rimmed by a solid white border a minimum of 6 feet wide along the end lines and sidelines. An additional broken limit line 6 feet further outside this border is to encompass the playing field in the non-bench areas, and such broken line will be continued at an angle from each 32-yard line and pass behind the bench areas (all benches a minimum 30 feet back from the sidelines). In addition, within each bench area, a yellow line 6 feet behind the solid white border will delineate a special area for coaches, behind which all players, except one player charting the game, must remain. If a club's solid white border is a minimum of 12 feet wide, there is no requirement that the broken restraining line also be added in the non-bench areas. However, the appropriate yellow line described above must be clearly marked within the bench areas.

In special circumstances (for example, an artificial surface in a multi-purpose stadium) and subject to prior approval from the League Office, a club may omit the 6-foot solid white border during the preseason or later period while football overlaps with another sport, and substitute a single 4-inch white line at what normally would be the outer limit of the solid border (6 feet from the sidelines).

The surface of the entire Field of Play must be a League-approved shade of green.

## Section 2 Markings

### LINE MARKINGS

At intervals of 5 yards, yard lines (3-41-2) parallel to the goal lines shall be marked in the field of play. These lines are to stop 8 inches short of the 6-foot solid border. The 4-inch wide yard lines are to be extended 4 inches beyond the white 6-foot border along the sidelines. Each of these lines shall be intersected at right angles by short lines 70 feet, 9 inches long (23 yards, 1 foot, 9 inches) in from each side to indicate inbound lines.

### INBOUND LINES

In line with the Inbound Lines there shall be marks at 1-yard intervals between each distance of 5 yards for the full length of the field. These lines are to begin 8 inches from the 6-foot solid border and are to measure 2 feet in length.

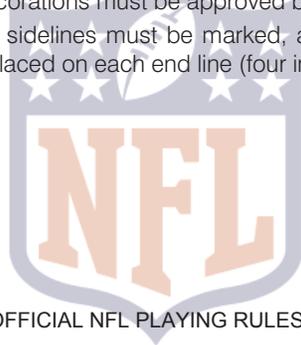

Bottoms of numbers indicating yard lines in multiples of 10 must be placed beginning 12 yards in from each sideline. These are to be 2 yards in length.

Two yards from the middle of each goal line and parallel to it, there shall be marked in the Field of Play, lines 1 yard in length.

All boundary lines, goal lines, and marked lines are to be continuous lines. These, and any other specified markings, must be in white, and there shall be no exceptions without the authorization of the Commissioner. Field numerals must also be white.

Care must be exercised in any end-zone marking or decoration or club identification at the 50-yard line that said marking or decorations do not in any way cause confusion as to delineation of goal lines, sidelines, and end lines. Such markings or decorations must be approved by the Commissioner.

The four intersections of goal lines and sidelines must be marked, at inside corners, by weighted pylons. In addition, two such pylons shall be placed on each end line (four in all).

## **SUPPLEMENTAL NOTES**

### **GOAL LINE**

All measurements are to be made from the inside edges of the line marking the boundary lines. Each goal line marking is to be in its end zone so that the edge of the line toward the field of play (actual goal line) is 30 feet from the inside edge of the end line. Each goal line is to be eight inches wide.

All lines are to be marked with a material that is not injurious to eyes or skin. It is desirable that the yard line markers be flexible in order to prevent injury. No benches or rigid fixtures should be nearer than 10 yards from sidelines.

### **GROUND RULES**

In League parks where ground rules are necessary, because of fixed conditions that cannot be changed, they will be made by the Commissioner. Otherwise they will be made by mutual agreement of the two coaches. If they cannot agree, the Referee is the final authority after consulting his crew.

## **Section 3 Goal**

### **CROSSBAR**

In the plane of each end line there shall be a centrally placed horizontal Crossbar 18 feet, 6 inches in length, the top face of which is 10 feet above the ground. The goal is the vertical plane extending indefinitely above the crossbar and between the lines indicated by the outer edges of the goal posts.

### **GOAL POSTS**

All goal posts will be the single-standard type, offset from the end line and bright gold in color. The uprights will extend 30 feet above the crossbar and will be no less than 3 inches and no more than 4 inches in diameter. An orange-colored ribbon 4 inches by 42 inches is to be attached to the top of each post.

*Note: Goal posts must be padded in a manner prescribed by the League.*

## **Section 4 Players' Benches**

### **PLAYERS' BENCHES**

At the option of the home team, both the players' benches may be located on the same side of the field. In such a case, the end of each bench shall start at the 45-yard line and continue towards the adjacent goal line.

*Note: When both benches are so located, the chain crew and linesmen are to operate during the entire game on the opposite side to the benches. See 15-4-1.*

## **Section 5 Chain Crew and Ball Boys/Girls**

### **CHAIN CREW AND BALL BOYS/GIRLS**

Members of the chain crew and the ball boys/girls must be uniformly identifiable as specified by the Commissioner. White shirts are to be worn by members of the chain crew.

## **Section 6 Sideline Markers**

### **SIDELINE MARKERS**

The home club must provide and use the standard set of sideline markers that have been approved by the Commissioner.
